<u>Reading</u>				
Read a story to your child at home every day. This can be done at any time of the day. Whatever suits your household best. You can read a book you already have at home or you can log in to the following websites to access some books. https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=Age+4-5&level=&level_select=&book_type=&series=# https://www.readinga-z.com/books/leveled-books/				
<u>Maths</u>				
This week in our Maths lessons we would have spent time revising numbers 1-5. Below, there is a link each day for a revision activity based on Numbers 1-5 and some rhymes that help us to write the numbers. We would suggest practicing one number each day- trace them in the air, on the backs on their hands, on your back and use a pencil, marker or crayon to write the numbers. Practise saying the rhyme as you trace/write it. The children should be familiar with these rhymes from class. https://www.preslimerick.ie/parents-area/home-learning-documents-364/?homework=139&class=12

Physical Activity

Don't forget to get outside for some outdoor play if you can (while maintaining social distancing of course). If it is a wet day and you can't get outside for some fresh air then check out THE BODYCOACH Joe Wicks on his Youtube channel <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ> . He is doing daily lessons at 9am but there are also workouts saved to his channel.
